

COMMUNITY SAFETY/COVID PROTOCOLS:

We truly value the opportunity for students, families, faculty, and staff to enjoy time together as Mod 1 ends. Because community health is our priority, we will follow these protocols during the event:

- All people in school buildings must be masked at all times, including all family members.
- We will use the outdoor spaces as much as possible.
- Please keep parent dorm visits to less than 15 minutes, all masked with 6' distance. Families are welcome and encouraged to gather outside.
- Learning spaces (classrooms, advising locations, Lecture Hall, etc.) will be free from eating (so all masks can stay on).
- We will de-densify spaces. Families of students in the assembly and families of seniors (and seniors) will view the assembly in the C/A while most 9th, 10th, and 11th grade families (and non-performing 9th, 10th, 11th graders) will watch the assembly as it is streamed throughout campus.
- Forgot a mask? There'll be one for you at the table with the name tags.

We look forward to a wonderful day of autumnal, academic, artistic, and athletic celebration.
